

# SUPERVISOR'S CORNER

By: Keith Guzy, District 1 Supervisor

February 2015

This informational publication is authorized by the Page County Board of Supervisors to keep citizens informed on matters of County interest.

## **Upcoming Election**

With many open positions on the ballot this year, there is quite the buzz in the community. The excitement of involvement and commitment to our County is astounding, and I hope it continues throughout the election and on into the coming year. I would also like to encourage the many candidates to hold true to honesty and integrity as part of their core values to maintain a fair and balanced campaign in serving the citizens of Page County.

## **Budget Process**

As stated previously, all departments and agencies were advised to request level funding or a decrease in funding, where possible, due to the anticipated decrease in revenues. It is vital that Page County keep a low tax rate to sustain the current cost of living and to attract potential businesses and families moving to our area. Now through April, the BOS will be meeting with each department and the school system to review each request and to allocate funds for the upcoming budget.

## **Town Hall**

I'm excited to announce I have scheduled a Town Hall meeting in District 1 for Friday, April 10 at 6:30 p.m. at Springfield Elementary School. I am looking forward to question and answer time, as well as receiving citizen's feedback, helping us to build a better Page County.
