2. This permit must be kept on the work site and shown on request.
3. The County of Page must be notified when work commences and when the project is completed.
4. Other work (grading, excavating, and construction) on the project shall not commence until the appropriate erosion and sediment controls are in place as specified on the plan.
5. Applicant agrees to be responsible for any and all damages to any other conservation measures already in place as a result of work covered by this permit.
